**Table Activities** consists of different fine motor activities made available to the children each day (ex. Legos, coloring, play dough, etc.) There would be 4-5 different options for them to choose from (always including a reading corner as an additional area to sit).

**Morning Meeting** consists of morning greeting, calendar, the days of the week, and daily weather. Also included is a question of the day (based on our theme for the week), letter of the week discussion, or story readings (based on our theme of the week).
